## FSA Academy

Dear Parents,

The Florida State Assessment (FSA) testing period is fast approaching, the state of Florida testing begins in February. For those parents who would like the additional support for their child(ren) we will be offering a comprehensive and intensive before and after school enrichment program, **2<sup>nd</sup> Cycle beginning Monday, January 11, 2016 to Wednesday, February 10, 2016.** Our enrichment program will target all tested standards and supplement classroom instruction. Registered students will be placed by performance levels, areas of need and interest. Students will be in groups no larger than 12 students. These groups will meet twice a week for 2-one hour sessions in Math and twice a week for 2-one hour sessions in Reading. Our teachers will serve as the instructors. This academy will be offered for students in grades 3<sup>rd</sup> through 8<sup>th</sup> grade.

Parents, even though our students are receiving a rigorous curriculum, the purpose of our Academy is to provide students the option of additional instruction directly correlated to success on the FSA. Instruction will include strategic test taking skills, all standards in READING and MATHEMATICS, as well as small group leveled instruction. Our program is optional and seating is limited. **The cost of the academy will be \$20.00 per session; however, you must commit for the entire academy period in order to get adequate results:**

- total of \$160 for Math
- total of \$180 for Reading

If you are interested in having your child attend the Enrichment Academy, please fill out the form, **no later than Thursday, January 8, 2016.** ONLY checks will be accepted. Please make checks payable to BridgePrep Academy, with a minimum of 50% of the payment paid by, Thursday, January 8, 2016. The remaining 50% payment will be due on Friday, January 22, 2016.

Sincerely,  
Ms. Patricia M. Garcia

I, \_\_\_\_\_, understand that my child must attend all sessions of the FSA Academy in order to achieve maximum results. I understand that no credit will be given for missed sessions. I understand that my child may have additional homework. Attendance in this Academy doesn't guarantee the passing of the FSA, however improved performance should be evident.
