

Dear Parents and Guardians:

January 20, 2017

Each year we strive to provide the best academic and social experience for our students. It has been our privilege to have had your children at BridgePrep Academy of Village Green for this past school year.

In order to better plan and budget for the upcoming 2017-2018 school year, we need to know your intentions for next school year. Please visit our website and use the link located on our homepage next to the school application. It is a **red** button labeled **Current Student Intent Form**. Please complete your desire to return to BridgePrep Academy of Village Green. Below is the image of the link on the website as well as the direct link to the form.

The Current Student Intent Form must be completed and submitted electronically by **Wednesday February 8, 2017** via webpage link.

If your intent is *not* received by the above date, it will be assumed your child(ren) will not be returning to BridgePrep Academy and as such your child will lose their spot in our school and replaced with an incoming applicant.

If you have any questions or would like further information, please contact our school office and request to speak to **Nancy Hernandez in the main office (305) 253-8775**.

Respectfully yours,

Patricia Garcia
Principal
