

Valentine's Day Grams

Dear Parent(s)/Guardian(s):

What better way to show someone you love them than with a Valentine's Day Gram? Parents and family members can send them to their children, plus the children can send them to friends, teachers, and staff!

Please make sure to include the recipient's full name, teacher's name AND grade on the gram so it can be delivered on Valentine's Day- Friday, February 14th. Grams will be sold on a first come, first served basis, get your orders in early!

Payment (CASH ONLY) and Gram with your Valentine message is due to your child's homeroom teacher by Wednesday, February 12th. If you need more grams, please feel free to contact your child's teacher and they will send additional forms home.

Best,

BridgePrep Academy of Village Green
