Dear Parents,

I hope everyone is doing well and staying safe during these unforeseen circumstances.

In an effort to provide a safe learning environment, we ask that you maintain appropriate attire and physical distance while students are participating in Zoom video conferencing with the teacher and other students. Please allow your child to work independently in his or her own space. We must be respectful and mindful of each family and their right to privacy.

As we continue to learn about remote learning during this very unique situation, we encourage you to participate in our weekly Remote "Office Hours" on Wednesdays from 3:15 p.m. to 3:45 p.m. You can find the link on our website.

Thank you for your continued support throughout this process.

Best regards,

Patricia M. Garcia
Principal
