Dear BridgePrep Academy of Village Green Families,

Welcome to the 2023-2024 school year! I welcome all of our BridgePrep families to our learning community. Together we will meet new levels of learning, working daily to motivate our students and ensure that they reach their highest potential in a safe and joyful learning environment.

Our teachers and support staff continue to focus on high expectations for all students. Our commitment is to provide an academically challenging and enriching program in a loving and nurturing environment that supports the social and emotional development of all of our children. At our school, we have implemented motivational initiatives such as Student of the Month and Positive Behavior Support Programs where students are provided opportunities to demonstrate the values taught through our Student Code of Excellence.

With the support of our Community Partners and strong parental involvement, our students have been recognized for various esteemed awards including The Fairchild Challenge, The Youth Fair, Miami-Dade County Public Schools Math Bowl and BridgePrep Academy's Spelling Bee. We have also been recognized at the Miami Dade County Public Schools Chess Competition and Robotics Fair.

We are looking forward to another exciting year with an amazing faculty and staff, as well as our supportive parents and community partners.

Sincerely,

Patricia M. Garcia
Principal

ARRIVAL/DISMISSAL PROCEDURES

You have two options when dropping off or picking-up your child.

1. You must drive through the carpool lane, stop momentarily at your child's designated drop-off or pick-up area and allow staff to assist your child in or out of the car. Please do not linger, but drive on, as there will be parents in other cars behind you attempting to drop off or pick up their child. If there is a long line of cars waiting to drop off or pick-up students, please be patient.
2. **At no time is anyone to use their cellular device to take pictures/videos of students or park and leave a car in the drop-off/pick-up lane. Parking a car in the carpool lane will obstruct the flow of traffic and create a potentially dangerous situation. Please understand that parking in the unauthorized areas (including numbered staff parking) is considered a serious offense. When parking in a visitor space, it is strongly encouraged that purses, electronic devices, etc. be taken out of the vehicle when it will be unattended. The school or its employees are not held responsible for any stolen items left inside a vehicle. The school is furthermore not responsible for any damage caused to your vehicle while on school property.**

3. Handicap spaces are to be reserved and utilized for handicapped drivers that currently have an active decal indicating so. Unauthorized vehicles are not to park in those identified parking spaces.

If you have a concern with a school policy, please do not discuss it with the patrols. Please take all concerns to the Main Office.

ATTENDANCE

Attendance and punctuality is mandatory. It is an educational fact that attendance and grades are connected. There are no factors more important to successful school progress than regular and punctual school attendance. Students who are excessively tardy or absent from the instructional program will fall behind in academic achievement. Excessive school absenteeism often results in grade failure, loss of interest, and in students withdrawing from school. We expect our students to demonstrate excellent attendance. Please make every effort to have your child attend school on time consistently.

School Attendance: Students are to be counted in attendance only if they are physically present for at least **two** hours of the day or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.

1. **Students missing three or more consecutive days of school due to illness or injury are required to submit a written statement from a health care provider.**
2. The written statement must include all the days the student has been absent.
3. Failure to provide required documentation within **three** school days upon the return to school **will result in unexcused absences.**
4. Students who have excessive unexcused absences shall be considered truant. **After ten (10) unexcused absences, the student will be issued a referral form that will be placed in the student's permanent record.** Students affected by the Compulsory School Attendance Law may be referred to Children and Family Services for truancy.
5. Any student arriving after 8:30 a.m. will be issued a late pass and marked tardy. **After ten (10) unexcused tardies, the student will be issued a referral form that will be placed in the student's permanent record.** We understand that emergencies may arise. In such cases, we will need a letter signed by a parent/guardian explaining the reason for being tardy.
6. Parents are to contact the office if their child is going to be absent. On the day he/she returns to school, parents must send a handwritten note explaining the reason for their child's absence. A maximum of 10 days per school year will be excused with parent written notes. After 10 days, a referral will be issued, even if a parent written note is provided. Students may not exceed more than 10 unexcused absences per school year. For every ten unexcused absences, the student will receive a referral.
7. Make-up work and homework will only be issued for excused absences. All make-up assignments must be completed within one school day (per missed day) after returning to school. All assignments must be made-up or the student will be issued a zero. **It is**

the parent's responsibility to contact the teacher regarding any missed assignments.

Excused Absences

- A. Personal illness of the student (medical evidence is be required for absences exceeding **three** consecutive days). The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, the student must be under the supervision of a health care provider in order to receive excused absences from school.
- B. Medical Appointment: If a student is absent from school due to a medical appointment a written statement from a health care provider indicating the date and time of the appointment must be submitted to the Main Office.
- C. Death in immediate family.
- D. An approved school activity (absences recorded but not reported).

Tardiness

A student is considered tardy if they are not present promptly at 8:30am in their assigned homeroom. NOTE: If a student is not present when attendance is taken, but is present later in the school day, that student must be considered in attendance, but tardy, and the absence should be changed.

Early Sign-outs

No student shall be released within the final thirty (30) minutes of the school day.

No student shall be permitted to leave school prior to dismissal at the request of, or in the company of anyone other than a police officer with judicial authority, a court official, or the parents of the student unless the permission of the parent is provided. No parent may have access to the student or may grant permission to allow the student to leave school prior to dismissal if there is a legally binding instrument or court order governing such matters as divorce, separation, or custody which provides to the contrary.

COMMUNICATION

Parent to School Communication

A prime factor in our operation is the importance we place upon communication between home and school. The lines of communication must be kept open at all times so that we may be properly tuned into your child's needs.

Please notify the main office immediately if:

1. Your child has developed a communicable disease.
2. Your child will be absent.
3. Your telephone number and/or email address (home and/or work) has changed.
4. You wish to change or add to the emergency contact numbers we are to use.

Parent to Teacher Communication

Conferences with teachers must be arranged by contacting the teacher. The teachers will let you know the date and time of availability. Parent conferences are not to be held while other families are able to hear information for other students as all student information is private and we respect each of their individual abilities. **Moreover, please do not engage in parent/teacher conferences during arrival or dismissal times as the primary goal for all school staff is to maintain the safety of all students at all times.**

Always attempt to resolve issues/conflicts with the teacher(s) before communicating to the administration. Most issues can be resolved when you have open and honest communication with your child's teacher.

Order of contact to resolve an issue is:

Teacher → Assistant Principal → Principal

School to Parent Communication

1. <http://BridgePrepVillageGreen.com>
2. www.dadeschools.net, is the Miami-Dade County Public Schools website in which you

can view your child's grades.

3. Messages via Class Dojo, School Email, and Social Media will be sent to parents informing you of upcoming activities or deadlines.

GRADES

Instructional staff uses evaluative devices and techniques as needed to report individual achievement in relation to school goals, acceptance norms, and student potential. Student grades, unsatisfactory work notices, parent reports on state assessment, and/or standardized testing, parent conferences, and adult/student conferences should serve as the primary means of communicating student progress and achievement of the standards for promotion.

A student's academic grade reflects the teacher's most objective assessment of the student's academic achievement. Students have the right to receive a conduct and an effort grade consistent with their overall behavior and effort.

Academic Grades

Academic grades are to reflect the student's academic progress. The grade must provide students and parents with a clear indication of each student's academic performance as compared with norms that would be appropriate for the grade or subject.

The academic grades of "A," "B," "C," "D," or "F," are not related to the student's effort and conduct grades. Grades in all subjects are to be based on the student's degree of mastery of the instructional objectives and competencies for the subject. The determination of the specific grade a student receives must be based on a teacher's careful consideration of all aspects of each student's performance during a grading period. To obtain access to your student's grades via MDCPS Parent Portal, please visit our main office to obtain parent pin.

Effort grades are utilized to convey both to students and their parent(s)/guardian(s) the teacher’s evaluation of a student’s effort as related to the instructional program. These grades are independent of academic and conduct grades. In assigning an effort grade, the teacher must consider the student’s potential, study habits, and attitude. 3. Whose conduct at any time or in any place has a direct and immediate effect on maintaining order and discipline in the school.

CODE OF EXCELLENCE

We believe that a safe and orderly school is of primary importance. When children behave in a respectful, responsible, and safe manner, they learn more and develop into responsible children whose “character counts”. The BridgePrep Academy Code of Excellence is a school wide plan, which clearly outlines student expectations.

Proper behavior is recognized and consequences are given for breaking our code. Each parent must take an active role in supporting this plan. We want our children to learn and to be responsible citizens. It is in the children’s best interest that parents and staff work together to ensure a happy, safe, and productive learning experience. The Positive Behavioral Intervention and Support (PBIS) program we implement allows for students who have earned Bulldog Bucks to receive rewards for displaying positive behaviors during school days.

Student Code of Excellence

- Be honest
- Be kind
- Be respectful
- Be patient
- Be proud
- Be courteous
- Be prompt
- Be prepared
- Be polite

STUDENT CONDUCT

The Code of Student Conduct delineates the behavior expected from students.

1. Students who commit violations of the Code of Student Conduct may be subject to detention, referral, and/or suspension.
2. Based on the severity of the violation, students may additionally be recommended for expulsion.

Proper Language

BridgePrep Academy strives for the highest standards of behavior. We do not permit cursing or

HEALTH GUIDELINES

If your child is injured or becomes ill at school, you will be notified immediately. PLEASE KEEP US CURRENT REGARDING YOUR PHONE NUMBERS BOTH AT HOME AND WORK. This information is vital should an emergency arise.

ILLNESS

1. If you suspect that your child is not well, please keep him/her at home, regardless of his/her desire to come to school. We ask that you do this out of consideration for his/her classmates.
2. If your child has had a fever, his/her temperature should be normal for twenty-four (24) hours before returning to school without the need for fever reducing medication.
3. If your child has a cold, is coughing, and has a runny nose, please consider that he/she may be contagious to others. Please keep him/her home or make arrangements for his/her care until he/she recovers.
4. If your child has a rash, irritated eye(s), and/or suspicion of lice please keep him/her home and contact your doctor to find out the cause.

5. Our school staff only administers prescription medication prescribed by a doctor to children upon completion of a medication request form.
6. Students may not carry and/or administer their own medication at any time (including over the counter medication).

Medication Policy

Every attempt must be made by the student's parent and physician to have medications administered at home during non-school hours. When this is not possible, a completed Medication Authorization Form must be provided for **each** medication to be administered during school hours.

No medication may be administered by school personnel unless the parent presents the school with a completed Medication Authorization Form, signed by the physician and parent.

The Medication Authorization Form must be **renewed each school year** and placed in the student's cumulative folder.

Any changes in the type, dosage or frequency of medication administered **will require** a new Medication Authorization Form to be completed.

The Medication Authorization Form must be current. The Medication Authorization Form will be filed in the student's Cumulative Health Record (*HRS-H Form 3041*).

In an emergency situation a Medication Authorization Form can be faxed to the physician and returned by fax to the school. A copy should be made of the form, as fax copies fade. An original must be obtained from the physician and include parent/guardian signatures within 24 hours in order to continue administering the medication.

Administering Medications

State rule FL Statute, 1006.062 Administrative Rule, 64F-6.004 states that school personnel may assist students in the administration and/or dispensing of prescribed medication in compliance with the following procedures:

Medications will be administered by the school nurse or designee when there exists an illness or disability that requires maintenance-type medication and when failure to take prescribed medication could jeopardize the student's health and when the medication administration schedule cannot be accommodated before or after school.

If the parent/guardian has completed the Medication Authorization Form correctly and has met the requirements of the District, it is the obligation of the school to see that the student is medicated at the appropriate time indicated on the Medication Authorization Form.

Only the parent/guardian should deliver medications and pick up unused medications.

***Guidelines for administering medication will be followed very strictly.**

There are several illnesses that are common occurrences in school-age children.

Children will not be admitted to school and will be sent home if they exhibit any symptoms of illness. Please help us control and minimize the spread of infections to others by providing care for your child when he/she is sick and keeping them at home while doing so.

HOME LEARNING

Home Learning Assignments are a very important part of learning since they reinforce concepts that have been learned. BridgePrep Academy's policy is to assign homework at the teacher's discretion. This keeps the academic flow and a means of involving parents aligned with our curriculum goals.

Parents' responsibility for completing home learning assignments:

1. Provide your child with a quiet place which is conducive to studying and to learning
2. Show an interest in your child's home learning assignments by providing assistance and reviewing completed work.
3. Do not complete the home learning assignments for your child. If your child is having difficulty, try to help them with their assignment and notify the teacher.
4. Read with or to your children daily.

Student responsibilities for completing home learning assignments:

1. Students are responsible for recording and completing all Home Learning Assignments independently. Parents may provide assistance, but students must complete the work on their own.
2. Home Learning Assignments should be done in a quiet place with good lighting and minimal disturbances.
3. If there is a problem in understanding how to complete Home Learning Assignments, students are to do the very best job possible. If a student does not understand the assignment(s), they are encouraged to bring it in the next day and ask the teacher for assistance. In this case, the home learning should be completed that evening along with the regular Home Learning Assignments.

Grade Level	Frequency of Assignments	Total Daily Average (All Subjects)
K – 1 st grade	Daily (5 days per week)	30 minutes
2 nd – 3 rd grade	Daily (5 days per week)	45 minutes
4 th – 5 th grade	Daily (5 days per week)	60 minutes
